WELL 10th Anniversary • Oct. 16, 6:30!

Background:

WELL will turn 10 years old this October. It all got rolling when Jason Bradford and his family chose Willits as their new home, in part because of its location and natural resources, and in part because it was already a spawning ground for innovative thinkers and doers (not just salmon). He started with showings of the film "End of Suburbia"— an eye-opener that predicted we would need major changes in light of peak oil and other global challenges. Each month the film was shown, and more people showed up. Those who had already seen the film began organizing working groups – food, energy, water, housing, transportation, social structures. Jason's ideas met with fertile soil:

People in the Willits area were eager to work on the solutions to global issues by acting locally. Indeed many had already been doing so for years, but now they were coming together with group energy.

Continued on page 2

**Schedule of Events
September & October**

Sept. 6, 1-3pm, Maker/Inventor group at Wowser, 330 E. Commercial St., see page 7.

Sept. 6, 1-9pm - Harvest Moon celebration at Solar Living Institute in Hopland. Info: contact SLI at (707) 472-2450.

Sept. 10, 6:30pm – Willits City Council: agenda likely to include water rates and medical marijuana dispensaries. Meetings are every 2nd & 4th Wednesdays.

Sept. 14, Grange picnic, see page 6

Sept. 15, 6:30, WELL Coordinating Committee, see page 7

Sept. 18, 7pm – Now & Then film: "Food for Change" at LL Grange, see page 5.

Sept. 20, Grange Farm School open house/ work day; also every Wednesday, see page 6.

Sept. 20, Open house at Phoenix Rising Garden, see page 6.

Sept. 21, 10am-2pm – Garden class at Phoenix Rising garden, see page 6.

Sept. 21, 4pm – Town Hall Candidates Forum at Willits City Council Chambers, see page 1.

Sept. 28, 8-11am, Grange pancake breakfast, see page 5.

Oct. 2, 7pm – Candidates Forum at Willits Community Center, 111 E. Commercial St. Info at 459-4110, see page 1.

Oct. 3, 7pm–Community Rights "Road Show" with speaker Paul Cienfuegos and other guests, at Little Lake Grange, see page 4.

Continued on page 8

**ELECTION NOV. 4TH Register to Vote & Vote!
Two Candidates Forums in Willits:**

Both forums have invited the two candidates for County Board of Supervisors District 3 – Holly Madrigal and Tom Woodhouse – and the three candidates for Willits City Council – Robin Leler, Ron Orenstein, and Larry Stranske (for two positions). Winning candidates will serve a 4-year term.

Sept. 21, 4pm – Town Hall Candidates Forum at Willits City Council Chambers. Each of the five candidates will speak for 5-7 minutes and then be available for questions and comments from the audience in Town Hall fashion. This is a good time to see what your candidates stand for and ask your own questions. "We are fortunate to have candidates of such high quality willing to do the business of managing our city and county," says organizer Carlin Diamond. Info at 459-4850.

Oct. 2, 7pm - Candidates Forum / Debate at the Willits Community Center sponsored by Willits Environmental Center and other groups, with a focus on environmental issues but all issues are welcome. Info at 459-4110.

Holly Madrigal

Tom Woodhouse

A few years ago,
a candidate for
City Council won
by only 3 votes!**

WELL 10th Anniversary continued from page 1

people in the Willits area were eager to work on the solutions to global issues by acting locally. Indeed many had already been doing so for years, but now they were coming together with group energy.

Eventually (not without some growing pains), the group called itself Willits Economic Localization (WELL) and later became a 501c3 non-profit organization with an elected board, the Coordinating Committee (CC), to oversee the various activities. For several years, with grant funding, WELL had a staff and office.

Many guest speakers came to Willits from near and far, often drawing audiences of over 200. Two regional conferences were held here to stimulate localization efforts in other communities. WELL became, in part, the model for the Transition Town movement that now has spread across the world. The idea was, and still is, that localization – more self-sufficient communities – is the solution to the unsustainable globalized economy.

WELL's Bike Show, June 2013

Celebrating!

We plan to commemorate the 10th Anniversary on Thurs., Oct. 16th, with a showing of excerpts of End of Suburbia and Escape from Suburbia (featuring Willits), a brief WELL power point, and displays of archival articles and photos.

We also plan to have short presentations of some of the success stories of the past ten years, such as the Grateful Gleaners, Now & Then Films, Local First, new local gardens, Grange grains & kitchen, Wowser, WHAT walks, health initiatives, Town Halls, solarization

projects, Community Rights Network, and many more. While many of these are independent of WELL, we often have or still play a role by participating, publicizing, serving as fiscal or insurance sponsors, and/or providing seed grants.

On Thursday, Oct. 16th we will definitely have a cake, and we invite the community and special guests to celebrate - where we've been and where we're headed. Come and enjoy this momentous anniversary! Lend your energy and ideas to launch the next 10 years!

WELL's Business Fair held in November 2013

Report from the WELL-NCO Garden Tour

"Remembering the Garden" was the 8th annual tour of community gardens in and around Willits, held on Saturday, August 23rd from 10:00am to 4:30pm.

About 35-40 participants visited the six gardens on the tour, also enjoying lunch, dessert, and a raffle of an overflowing basket of garden produce. (The raffle winners, Devi & Mac, shared the bounty with others on the tour!)

The six gardens and contact information are:

- Willits Elementary Charter School, Becky Button, 510-306-3400
- Grange Farm School at Ridgewood Ranch, Antonia Partridge, 272-1395
- WISC Community Garden, Paul Jacobson, 4paulj@gmail.com
- Brookside School Farm, Amanda Senseman, 841-0197 or Lucas Howerter, lucas.howerter@gmail.com
- Phoenix Rising (on North St.), Ron Woolsey, woolseyron@yahoo.com or 489-5408
- Brooktrails Community Garden, Freddie Long, longfreddie@gmail.com or 459-5267

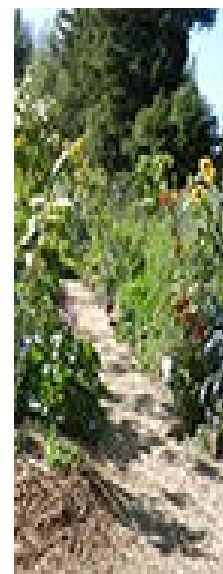

There were gems to admire at each place, while also learning tips and being inspired for our own backyard gardening.

This event was cosponsored by Willits Economic Localization (WELL) and North Coast Opportunities (NCO). Some participants added a membership or donation to WELL, but otherwise all the proceeds (nearly \$400) were allocated to support the paid staff at the Farm School and Brookside School farm.

To find out more go to page 6 and see, "More on Community Gardens."

Community Rights Ordinance: Yes on Measure S — October 3 Event in Willits

After the very successful drive to collect over 6,400 signatures, the Community Rights Network of Mendocino County is now in campaign mode. The Board of Supervisors agreed to place the initiative measure on the ballot and deferred action on their own fracking moratorium measure until after the Nov. 4th election.

At a mid-August potluck & planning meeting, about 30 people formed working groups for the Yes on "S" campaign. It will include letters-to-editors, literature, media (website, facebook, etc.), tabling and maybe door-to-door. Contact Kelly Larson at solarkelly@gmail.com or go to www.facebook.com/pages/Community-Rights-Network-of-Mendocino-County to plug into a local working group.

Willits will be one stop on the Mendocino County Community Rights Roadshow. Paul Cienfuegos will be the featured speaker, along with

other special guests. The Willits event is Friday, Oct. 3rd, 7pm at Little Lake Grange.

Excerpt of Argument for Yes on Measure S:

Measure S establishes a Community Bill of Rights for the people of Mendocino County, built on the right to local community self-governance, in order to exercise and secure our unalienable right to protect our health, safety and well being. These rights include the right to live in a healthy and safe ecosystem and the right to protect local water from harm caused by unconventional gas extraction. In order to uphold and protect those rights, this initiative bans all fracking related activities within the County, including the transportation of fracking fluids and the use of local water for fracking.

Our nation was founded on the concept that government is insti-

tuted to secure our unalienable rights and derives its just powers from the consent of the governed. ... Yet States routinely issue permits to chartered corporations that make it "legal" for them to violate the rights of the people ...

Measure S challenges those illegitimate laws, which violate our fundamental rights. This measure elevates the rights of the People of Mendocino where they belong, above the claimed "rights" of corporations and state agencies that enable fracking corporations to profit from the destruction of local ecosystems and to harm residents and communities.

Measure S protects our water by banning fracking and asserts the right of the people of Mendocino to make those kinds of decisions now and into the future.

NOTE: No argument was submitted against Measure S.

Caltrans Bypass – Update (August 30, 2014) by Madge Strong

The roller-coaster of the Bypass saga continues...

In late June the Army Corps of Engineers suspended Caltrans' permit due to serious violations and delays. Three weeks later, after an "intervention" by our Congressman Jared Huffman and his predecessor Mike Thompson, the Corps reinstated the permit, with some vague promises from Caltrans to reduce impacts and speed up mitigation efforts. Caltrans spokesman Phil Frisbee said the temporary suspension could cause a one-year delay on the project.

Meanwhile, the Willits Environ-

mental Center and Keep the Code had filed a lawsuit challenging the County's approval of excavating the old Apache Mill site (now

On Aug. 20th, the court granted a temporary restraining order, with a hearing on a potential injunction ... Sept. 8th.

Mendocino Forest Products) for 900,000 cu. yds. of fill to build the massive northern interchange.

On Aug. 20th, the court granted

a temporary restraining order, with a hearing on a potential injunction scheduled for Sept. 8th. Frisbee again claimed this could cause a one-year delay.

Although promising to consider ways to reduce the wetlands impacts, Caltrans continues to summarily reject the idea of using the already-planned round-about as the northern connection. That simple change order could save time (avoiding that claimed one-year delay), taxpayers' money, wetlands, and cultural resources.

For latest news, check www.savelittlelakevalley.org.

Little Lake Grange Events!

Now and Then Film Series:

September 18th, at 7pm

Presents "Food for Change," a film about food & cooperation. This film is inspiring and emotional — a strong voice in the push for sustainability within our communities. *Food for Change* gives us a strong understanding of the history and role of food co-ops. This film does a remarkable job using vintage footage of co-ops in the United States since the 1930s. It is a movie that shows how current global issues can be tackled locally using the time-tested principles of cooperation.

More at: <http://foodforchange.coop/>

Suggested Donation of \$5 helps sustain this monthly film series. Organic popcorn and chocolate, refreshments for sale by the Grange. Call 459-6362 for information.

Pancake Breakfasts:

Sept 28th & Oct 26th, 8am to 11am
(and every 4th Sunday)

Join your friends at the Grange Breakfast!

Our tasty breakfast is a wonderful combination of comfort foods: Choose our Sourdough Wholegrain or Hank's Famous Buttermilk Pancakes, Beeler's Quality Bacon, Organic Local Farm Fresh Eggs made to order, Real Butter, Juice, Organic Coffee or Tea.

All for only \$7 — \$6 for Seniors — \$4 for children under 10. We also can serve you extra sides of Organic Fruit in season for \$1 or Amish Maple Syrup \$1.

Junior Grange:

Junior Grange is a new group created for children. Here's an opportunity for members of WELL to bring their children to join this new after-school program, democratically run by children ages 5-14 - with guidance from Grange adults.

Stuff we learn how to do:

- Community service projects
- Play chess with our coach Bob Wagenet
- Plan, and raise and manage funds for, our projects
- Organic gardening and farming
- Cook in a commercial kitchen
- Sing beautiful songs with our teacher Nancy New

A new skill every month:

September: GRIDBEAM Construction

October: Sewing Halloween Costumes

Virtuoso pancake chef, Hank Stroock, at work in the Little Lake Grange kitchen.

We also plan special events:

- ★ September 29th - NERF Gun Fight at City Park

We meet on Mondays 3-6 pm at the Grange, Room 10. Membership is just \$1, plus \$1 annual dues. Our activities are free to members (except for the singing classes). Visitors of all ages are welcome!

For more information, call Zeynep at (707) 972-8558 or email zeyny34@yahoo.com

Little Lake Grange #670, 291 School Street (at corner of Pine St.), Willits, CA 95490.

More on Community Gardens

This is more information about some of our local Community Gardens. You are invited to get involved! (See the lead article on page 2.)

BROOKTRAILS COMMUNITY GARDEN

If you live in Brooktrails and want to become a member of the Brooktrails Community Garden you are encouraged to contact Freddie at 459-5267 or long-freddie@gmail.com. (You can see us on facebook at "Brooktrails Community Garden, Willits, California.)

The Brooktrails Community Garden has been offered a generous donation of soil from Howard Hospital, but we have no way of picking it up. (We have the labor but no truck.) We are willing to pay a use fee for the service or loan of a truck.

GRANGE FARM SCHOOL

We have volunteer open house days at the Grange Farm School every Wednes. and one Sat. per month. September 20th will be the next volunteer work day on a Saturday.

Bring a picnic lunch and eat under the cool shade of redwood trees or at the reservoir from 12-2 every Wednesday. Starting at 2 we will be hosting guided farm and construction sessions for volunteers. Volunteers of all ages and skill levels are welcome to come any time between 2 until dusk to assist in projects with the Farm School team and to tour the school. Please bring water and gloves, and your favorite garden tools if you are interested in focusing in the field.

We are also starting up a poultry-share program for the community - custom grown chickens for meat: heritage breeds raised on high-omega 3 pasture and organic feed. We will start a spring poultry-share in March - ready for butchering in May. People interested in signing up before all the slots fill up can start now by emailing Ruthie at ruthfking@gmail.com

PHOENIX RISING GARDEN

This in-town pocket garden, on North Street between Redwood & Pine Streets, is having an Open House on Sat. Sept. 20th from 1-5pm. In addition to flowers and veggies, the garden features an outdoor art gallery.

On Sept. 21st, 10am-2pm will be the first in a series of bi-monthly classes. This one will focus on cultivation and double-digging, given by Ron Woolsey, and composting, given by Fred Marshall. Sliding-scale donation is suggested at \$20, but no one turned away.

For more information and future classes, call Ron at 489-5408.

Grange Picnic, Sunday Sept. 14

Join us at your very own Grange Farm School orchard for a picnic of epic proportions. The apples are ripening fast, and in such quantity that we simply must share this bounty. We will spend the day lounging in the shade of the 100 year old Gravensteins, listening to live music, pressing cider, sharing potluck dishes for lunch, and playing games and making arts and crafts with our children, grandchildren, and each other.

The picnic will take place from 11am-3pm on Sept. 14th in the orchard at Ridgewood Ranch.

Parking is available in the parking lot by the Golden Rule dining hall and La Vida charter school. A shuttle will be stationed there to bring you and your families or guests down to the orchard.

Please bring: lawn chairs or picnic blankets, a dish to share, plates/utensils/cups, containers for storing apple cider, and a white t-shirt for stenciling with fabric markers.

There will also be tours of the Grange Farm School at 11:30 and 1:30 for those of you who haven't had the opportunity to see the wonderful work we are doing there.

Please RSVP so that we know how many to expect. Call Ruthie at (860) 670 7146 or manager@grange-farmschool.org

Thank you for your continued support! Looking forward to seeing you in the orchard! —Michael Foley

WELL CoCom Summaries

July 14 Meeting

Office & Mid-Year Review:

We currently have almost 200 members, including 15 newsletter advertisers. We have \$4,879 in savings and \$6,821 in checking, but of that, \$3,510 is in restricted (i.e. ear-marked) accounts, including \$1,081 in our Pay It Forward fund. Comparing year-to-date finances with the budget and past years, donations and memberships are lower than expected.

Goals & Action Plans:

We reviewed a "wish list" from last December, finding many items moving forward successfully (many by "spin-off" groups, not WELL itself), including: Community Rights Ordinance; lobbying on Bypass issue; solarizing at the City; PACE water & energy program; water-wise gardening; water/drought Town Hall forums; Grange farm school; and garden tour. Some potential projects are dormant, needing fresh energy (i.e. volunteers).

Garden Tour:

A leadership group planned the NCO-WELL co-sponsored event on Aug. 23. WELL provided food and support.

Charter Elementary School Garden

August 18 Meeting

10th Anniversary Plans:

Richard Jergensen is helping plan this event, and we discussed ideas for the format (covered elsewhere in this issue). Andy Wright will help edit videos. We'll also work on getting a series of retrospective articles in the local papers, and inviting people from the many localization efforts over the past 10 years. We

may have a questionnaire and/or butcher paper for ideas/visions for the future, and encourage folks to come to the potluck-brainstorm session (possible date: Nov. 9th).

Garden Tour:

We reviewed the details for this Aug. 23 event and follow-up tasks (PR, posters, food, logistics, etc.). We decided to offer WELL membership to end-of-year for an additional \$5, with all other proceeds (\$15) going to the gardens.

Community Rights Ordinance:

Campaign for "Yes on Measure S" is underway. (See article page 4.)

Website Update:

Technical difficulties continue.

Future Meeting(s):

We decide to stick with Monday CC meetings. Next meetings will be Sept. 15th, Oct. 13th and Nov. 10th. We will explore having major inspirational speakers (Richard Heinberg and others) for next year. It's noted that education never ceases!

Meetings held at 221 S. Lenore, log cabin, NE corner of WISC complex.

Attention:

Inventors/Makers

Sept. 6, Open Meeting at Wowser

We are hosting a maker/inventor group at Wowser, your local build facility.

The initial meeting will be Saturday September 6th from 1 to 3pm, 330 East Commercial St. Willits, CA. Phone: 707-459-9697, email: cyndee@wowser.org or roger@wowser.org

Have an idea for an invention and want to throw concepts around? Want to meet like-minded individuals? Want help with prototyping? Want to learn about patents? Bring some ideas about what you want the group to address, and come to the meeting.

Check out our classes at www.wowserllc.com.

The WOWSER entry arch.

Walk For Wellness: October 19th

The 17th Willits Community Walk for Wellness will take place on Sunday, October 19, 2014 beginning with registration at 9:30 AM and the walk will begin at 10:00 AM.

This walk will be different than the previous walks since it will start and end at the new Frank R. Howard Foundation Medical Campus on East Hill Road. Walkers will get a chance to see the campus, walk on the new Haehl Creek Trail, see the garden, and learn about the planned Wellness Center. We will also walk to the old hospital and back and bring our vision and ideas for community health.

An earlier Walk for Wellness down Main St..

For more information contact Jed Diamond at 459-5505 or email Jed@MenAlive.com. Also let us know if you'd like to help with the planning and be on our mailing list.

September & October Calendar continued from page 1

- Oct. 7,** 5:30-6:30 - Avenues to Wellness guest Chana Eisenstein speaking on "Keeping our Dogs & Cats Healthy," at the Senior Center. Info 459-2777. (Also check www.avenuestowellness.org for other program info.)
 - Oct. 13,** 6:30pm – WELL Coordinating Committee Meeting
 - Oct. 16,** 6:30pm – WELL 10th Anniversary Celebration, at LL Grange, see page 1.
 - Oct. 19,** 9:30am - Walk for Wellness beginning at the new Frank Howard Medical Campus, see page 8.
 - Oct. 26,** 8-11am, Grange pancake breakfast, see page 5.
 - Nov. 4** – Election Day!
- Ongoing Events:**
 Mondays 3-6pm, Junior Grange, see page 5.
 Wednesdays Grange Farm School open house/work days, see page 6.
 Thursdays, 3-6pm – Farmers Market at City Park

WHAT IS WELL?

Willits Economic Localization

Vision: An enduring local economy that provides health and security for our community.

Mission: To foster the creation of a local, sustainable economy in the Willits area by helping residents to learn valuable skills and to take action, and by partnering with other organizations to share knowledge and support projects that build a thriving community.

Wildfires Continue

The Lodge Lightning Fire complex near Laytonville is 90 percent contained, but contained just means they have a circle around it and it is no longer spreading. Inside that 12,000+ acres, the fire will continue to burn for a long time, maybe till the rains start.

We're also getting smoke from the Happy fire in Klamath National Forest (15% contained), two large fires in Siskiyou County and one in Shasta County, in the Trinity National Forest.

For info on latest air quality and fires, go to: www.co.mendocino.ca.us/aqmd/advisories.html or http://cdfdata.fire.ca.gov/incidents/incidents_current
