Little Lake Grange**

Enjoy these informative demonstrations:

Solar Oven Cook-Off
Fruit & Vegetable Dehydration
Apple Crushing/Juicing
Acorn Preparation

**100 Mile Harvest Dinner at 5PM
Kids Activities Too!**

Did you know that the food we eat in Willits travels an average of 1500 miles on its journey from production to our grocery stores? In the process a substantial amount of fossil fuels are burned.

WELL members are working on several local food projects including:
Main Street Garden – Abundant, Downtown Willits Garden
Brookside Farm – An Organic Farm
The Grateful Gleaners – Reclaiming Our Food Bounty

Where can I learn more?

Go to the following web site: www.willitseconomiclocalization.org

We have offices in downtown Willits at REDI – www.redinet.org and you may call there if you want to contact someone: 707.459.1256

Check the Willits News for articles and listen to KZYX&Z for announcements of upcoming events.
