Preparing Your Garden for Spring

Maybe you have a plot of land and you want to grow some veggies, but you are not sure where to start. Or you have gardened before, but have some questions. Carol Cox, Garden Manager at Ecology Action Center, will help us create an abundant garden this year.

Topics Carol will cover include:

- Starting a new garden
- Double digging versus single digging
- Compost & Soil Testing
- Seeds/seedling
- Timing
- Watering
