

# Willits Economic Localization

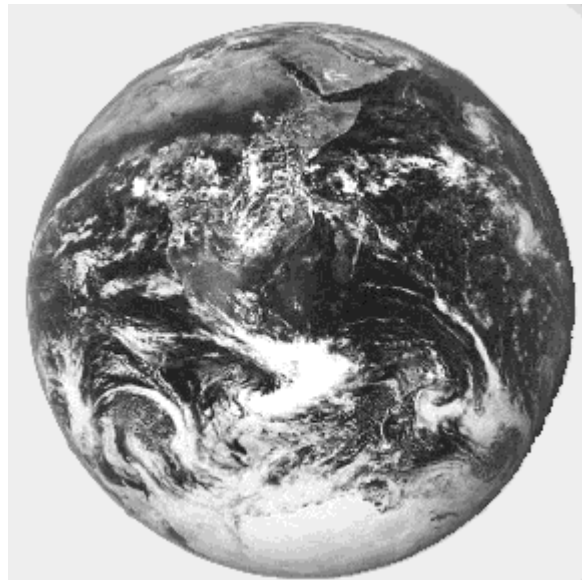

Presents

In association with  
Renewable Energy Development Institute (REDI)  
and

*This program is funded by California utility ratepayers and administered by the California Investor Owned Utilities under the auspices of the California Public Utilities Commission*

## Earth Day in the Park

**We ask all organizations, churches and schools in the Willits area to join us on April 22, 2007, in the Willits City Park and at the Willits Community Center.**

**We will have local speakers, dancing, music, children's activities, tree planting and energy saving demonstrations.**

Willits City Park and Willits Community Center  
East Commercial Street one block East of Main Street  
Noon to 6:00 PM

If your organization would like space, please call Kerry at the REDI office – 459-1256
